

Quarterly capital report

Harbor Infrastructure III

Reporting period: 1 April - 30 June 2026

Scope: whole fund | Base currency: USD

Contents

Fund context and prior-period comparison	2
Capital account and closing NAV	3
Portfolio context and glossary	4

Reading note

Current and prior-quarter columns are presented side by side.
Amounts on the capital schedule are expressed in USD thousands.
Use the whole-fund column, not the investor example on page 2.

Fund context

Harbor Infrastructure III

Whole-fund reporting scope

The quarter covers 1 April to 30 June 2026. Base currency is USD.

Prior-period comparison - 31 March 2026

Prior closing NAV: USD 84,000 thousand.

This is the opening balance for Q2, not the reported closing Q2 NAV.

Investor account illustration - excluded scope

Example limited-partner closing capital: USD 8,770 thousand.

This investor balance is not the whole-fund NAV.

Capital account and NAV

Harbor Infrastructure III

Whole fund | 1 April - 30 June 2026

Currency: USD | All table figures in thousands

Capital movement	Q2 2026	Q1 2026
Opening partners' capital	84,000	80,125
Capital funded during the quarter	6,250	5,000
Cash returned to partners	(2,100)	(900)
Net result for the period	(375)	(225)
Closing partners' capital	87,700	84,000

Sign convention

Bracketed distributions are cash outflows; subtract their positive magnitude.

Bracketed net results are losses and enter the roll-forward with a minus sign.

Administrator note

No explanation for any roll-forward variance is supplied in this pack.

Portfolio context

Harbor Infrastructure III

Holdings summary - not a NAV roll-forward

Renewable generation	42%
Transport infrastructure	33%
Water and utilities	25%

Glossary

Capital funded: contributions received during the reporting quarter.

Cash returned: distributions to partners during the reporting quarter.
